NOTICE TO LEAVE.

China Engine Company Will Have To Leave Their House.

For two years past China Engine Company has been connected with the Honolulu Fire Department as a volunteer body. It is the only company that represents the old regime, and the prospects are that it will soon dispose of its apparatus and disband. The company has been paid \$50 a month by the Fire Commissioners. This sum is to be cut off on the last day of March. The foreman of the company recently received a letter informing him of that fact. The commissioners also gave notification that they want possession of the engine house on the first day

The house is a substantial structure and belongs to the Government. It will be used as headquarters for the chemical engine, which is kept at the Bell Tower at present. China Engine Company will meet tomorrow night to take action on the commissioners no-

Kicking Against Coast Drummers

A number of merchants are complaining against the action of San Francisco commercial agents in coming to the Islands and taking orders for goods. They cite many instances of such during the past few months, and say their business interests are being seriously impaired thereby. The law requires a license fee of \$500 for such work, and if the matter was looked after more closely considerable revenue might be secured to the Govern-
